

25 LAGUNAS TORRONTES 2014

25 LAGUNAS

ABOUT 25 LAGUNAS

A long time ago, there was a compilation of interconnected lagoons. They were inhabited by the Huarpe Aborigines who traveled in small picturesque canoes known as “Lagooners”.

The lagoons have since dried, but their magic has turned the land into a fertile viticultural region which is now home to our vineyards.

GEOGRAPHY & CLIMATE

Mendoza | Argentina

Rewen Estate, producer of 25 Lagunas, is an Argentine family owned and operated estate winery focus on high-elevation (3,000 ft-4,200 ft) cold climate vineyards located at the foothills of the Andes Mountains. Mendoza’s vineyards are known for having extraordinary solar exposure, pure crystal clean water, and ideal micro-climate for producing high-quality varietals.
